**Signs and Symptoms of COVID-19**
Become familiar with the signs and symptoms of COVID-19, which are cough, temperature of 100.4º F or more, shortness of breath, and fatigue. Do not report to rehearsals/performances if you are experiencing any of these symptoms.

**Face Coverings**
All performers and accompanying parent/guardian must provide their own appropriate face covering. Performers must wear a mask at all times while on the premises unless they are on stage performing. Parents/guardians must wear a mask at all times while on the premises. Each performer should bring a sealable bag or container to store the covering when not in use. Please label the container with your child’s name.

**Physical Distance**
A physical distance of six (6) feet or more will be maintained in all shared spaces. Students will be assigned to specific chairs/warm-up areas, which will be marked and distanced six (6) feet or more from other performers.

**Hand Washing and Sanitizing**
Hand sanitizer and washing stations will be available in multiple locations and regular use will be encouraged before/during and after rehearsals and performances.

**Parents/Guardians**
To minimize the number of individuals in backstage areas, we ask that parent/guardians stay in their vehicles or in designated distanced outdoor waiting areas while on campus. Performers will be supervised by staff members at all times during rehearsals/performances. Staff members will encourage students to adhere to the procedures listed above. Additionally, parents/guardians should review these procedures with student performers before arriving at LIU Post. Details regarding drop-off times/locations will be sent prior to the rehearsal date.

*These procedures are subject to change to remain consistent with federal, state and local laws, executive orders and ordinances and campus policies*
