

Branching Out, January, 2022

Covid Safety Policy

Our goal is for you to feel comfortable, welcome, and safe!

VACCINATIONS

Tilles Center public events require all guests over the age of 12 to be fully vaccinated, with their final dose taken 14 days prior to the event.

Please bring proof of full vaccination with ID to *Branching Out*. A NYS State Excelsior Pass or photo of CDC Vaccination cards are accepted.

Exceptions:

- Children between the ages of 5-12 years old and guests who need reasonable accommodations due to a medical exemption may provide proof of a negative antigen or PCR COVID-19 test. PCR tests must be within three days; rapid test with six hours. The test results must clearly show the date and time of the test. Tests may be performed by a medical professional or by using an over-the-counter testing kit.
- Children under 5 years of age must be accompanied by a vaccinated or tested adult in accordance with the requirements above.

MASKS

– Masks are required at all times and must completely cover the nose and mouth and comply with CDC guidelines for acceptable face coverings. All performers will be wearing clear masks and face shields. If you are attending with a participant who has difficulty wearing masks, please let us know as soon as possible.

- The building has upgraded fans and filtration in HVAC systems, and disinfectant at all entrances. After each performance, high touch surfaces in both audience spaces and backstage will be cleaned in accordance with CDC recommendations.

- Each performance will be staffed with a Certified Covid Compliance Officer.

Any questions, please contact stephanie.turner@liu.edu or call 516-299-2388
